

Founders' Choice Award – Outstanding Service to Mental Health

Winner //

JEMMA FALLOON, MONDELEZ

Jemma was diagnosed with Cancer four years ago and discovered that her workplace had very little in terms of support and policies to help those employees with a cancer diagnosis.

Whilst dealing with her own, ongoing cancer treatment Jemma has been determined to change the support offered by Mondelez and has revolutionised their offering to employees around cancer. She has now set up 200 cancer support ambassadors, resources for patients and their families/friends, Employee Cancer Guide, Line Managers Cancer Guide and new policy for employees with cancer.

She has helped hundreds of colleagues and empowered Mondelez to support employees impacted by cancer in the workplace.

Jemma has now set up 200 cancer support ambassadors.
