Shift the story on suicide with Caroline Roodhouse

Webinar - Wednesday 10th September, 2pm BST, 9am ET, 7pm HKT

66 % of employees still use stigmatising language like committed suicide. Suicide rates are at their highest in more than two decades with 6,069 registered in England and Wales in 2023. It's estimated that 650 suicides in the UK each year are down to work-related pressures. **WORKPLACES NEED TO ACT NOW TO SUPPORT THEIR STAFF AND PROTECT THEIR BUSINESSES.**

This webinar will engage your employees and create a safe, positive space for the conversation around suicide. Combining Caroline's lived experience of loss by suicide with the real thoughts and feelings of those struggling to communicate their suicidal thoughts, this session will be powerful, raw, memorable and impactful.
